★	Two Changes of Clothes and Extra Socks
★	Long John Underwear
★	Warm Coat
★	Toiletries
★	Rain Gear

★	Day Pack (preferably polar fleece)
★	Small Flashlight With Extra Batteries
★	Knife
★	Any Spirits You Wish to Have in Camp
★	Sheep Hunters Only - Pack Board

WOOL OR POLAR FLEECE CLOTHING IS HIGHLY RECOMMENDED, as it is warm, quiet, and resists water. Bright colors are not required or necessary. You should have clothing suitable for hot days and cold nights. Dressing in layers is wise so it is easy to adjust for temperature changes.

This list is not a complete list, but rather a summary of gear that **should be** included.

Please advise us if you have any health problems or allergies that we should be aware of.
